

All companies have problems getting their employees to purchase and procure goods through an approved vendor. The ROLOS<sup>3</sup> Branded site is designed to put an end to that very costly problem by making it look as if your employees are procuring goods through your company instead of some outside organization. With ROLOS<sup>3</sup> Branded you can begin to consolidate your purchasing, increase your savings, and decrease your procurement cost. No longer will employees be purchasing office supplies through multiple vendors and not receiving the pricing that your purchasing department has negotiated.

**Why have a branded site:**

- To promote a standard supply program
- Control what your employees can buy
- Stop employees from shopping and wasting valuable time

**Some Features of ROLOS<sup>3</sup> Branded:**

- ✓ Approval levels for order routing
- ✓ Access to your corporate item list
- ✓ Buying template of approved items
- ✓ Over 1,400 customizable settings

The screenshot shows the 'Account Info' page of the RBP website. At the top left is the RBP logo. A navigation bar contains links for 'Logout & Settings', 'Your Account', 'Place an Order', and 'Favorites'. Below this is a section titled 'Your Account Information' with 'Reset Fields' and 'Save Changes' buttons. The form includes fields for 'Your Name:' (filled with 'Demo User') and 'Your email address: (Used for lost login codes and email notices)' (filled with 'order@rbp.com'). Below are 'BILL TO:' and 'SHIP TO:' sections, both containing the address: '3852 Test Account For Rolos Suite 1400 5757 Ranchester Ste 1400 Houston, TX 77036'. The 'SHIP TO:' dropdown menu is set to 'Main - Department ZZ/90/\$A'.
